

*Welcome to the Ottery St. Mary
Food & Families Festival,
held in various locations in the
centre of Ottery St Mary*

Pull me out
Programme

Who'd have thought? Started in 2013 as a very small event, completely from scratch, and here we are, 5 years later with a fully 'grown up' Festival. Foodie Demo's, Street Food, Kids Activities, and, for the 2nd year running, a beautiful market in a pedestrianised Broad Street! So much to see and do. Many volunteers have helped make this possible and I for one am very grateful to them.

So go ahead and enjoy yourselves. Sample the food and drink, join in with the fun, spend a few quid. And remember, the money you spend stays local; much of it in the town itself, some in the immediate area, helping Ottery stay a vibrant market town full of fabulous independent shops! As that is what the Festival is all about: celebrating all that is good about Ottery, East Devon, and Devon at large. And please, keep supporting these independent businesses. Not just today, but all year round!

Cheers / Proost / Prost / Santé / Sláinte, Ruud Jansen Venneboer, Festival Director

Ottery Food & Families Supports Various Local Charities

The Festival has nominated 3 charities it will be supporting:

- **Barnfield Farm Residential Home,** Luppitt - financial contribution towards their new Sensory Garden
- **OSM's Youth Centre @ The Station** - contribution towards kitchen facilities
- **The Ottery Food Bank** - contributions throughout the year

Furthermore, we allow a host of local organisations to raise significant funds through the event, for example the Carnival Committee (by running bar & BBQ), The King's School, Hospiscare, and others. And Roberts in the Square collects Food Bank donations.

Please help us support them!

Acknowledgements

All the Volunteers involved, Sponsors and Advertisers. The event is fully planned, organised and run by unpaid volunteers, to whom we owe tremendous gratitude. The whole team have worked harder than ever this year to bring together a festival which is bigger and better than ever with something for everyone. Likewise, many thanks to all the advertisers, and our main sponsors **Otter Garden Centre, Otter Brewery, The Pig @ Combe, Downs and Otter Motors and the Deer Park Hotel.** Their contributions and support have significantly helped to make this event possible, and continue to keep it free to attend! Finally, we'd like to thank Sainsbury's for allowing us to use some of their space, and Cllr. Claire Wright/DCC and Ottery Town Council for their financial contributions.
