Ottery St Mary Super Saturdays

What is it? OSM Super Saturdays is an initiative set up by Ottery's Independent retailers and places to eat/drink, and its aim is to (re-)introduce the people of Ottery and surrounding areas to the fantastic products and produce on offer in the town.

There will be a raft of fun activities going on, hoping to give the town a truly festive atmosphere, making it an attractive place to 'hang out' for the young and not so young.

Why? In a recent poll, many residents hinted that opening hours of the Indie retailers weren't ideal for many residents working outside the town. By putting extra focus on the Saturday, when it's expected people are around, it is hoped to address this issue somewhat.

Events taking place each of the four Saturdays:

- ◆ Lots of special offers in many shops and eateries
- ◆ Tastings in some of the food/drink outlets
- ◆ Competitions and prize draws
- ◆ Entertainment
- ◆ Market stalls outside Down's Garage
- ◆ Wet Felting in the Sewing Room (2.30—4.30pm)
- ◆ Town Crier

& of course all the usual great products and produce, friendly service and competitive prices!
